

ALTERNATIVE WEDDING TENTS

Damage Waiver

As each year goes on and our inventory grows and consequently the wedding packages that we can offer include equipment and tents that are worth tens of thousands of pounds it's always been important to us that our clients arrange Wedding or Event Insurance to cover any loss or damage caused to anything supplied by Alternative Wedding Tents or our suppliers.

Our Terms and Conditions clearly state that the hirer is responsible for any loss or damage caused during the hire period and will be invoiced accordingly.

But we want to offer our clients the option of a damage waiver of 3% of their final quote. The excess would be £250. This means that in the event of loss or damage caused, our clients will be covered and we will pay for any further costs over the £250 damage up to the value of £45,000.

Our clients have the option of arranging their own wedding / event insurance but we will require proof of the certificate to ensure we are all covered. The cost of the Damage Waiver will be added to our clients invoice and all funds will need to be cleared prior to the event hire period.
